

CAPTAIN DYSON

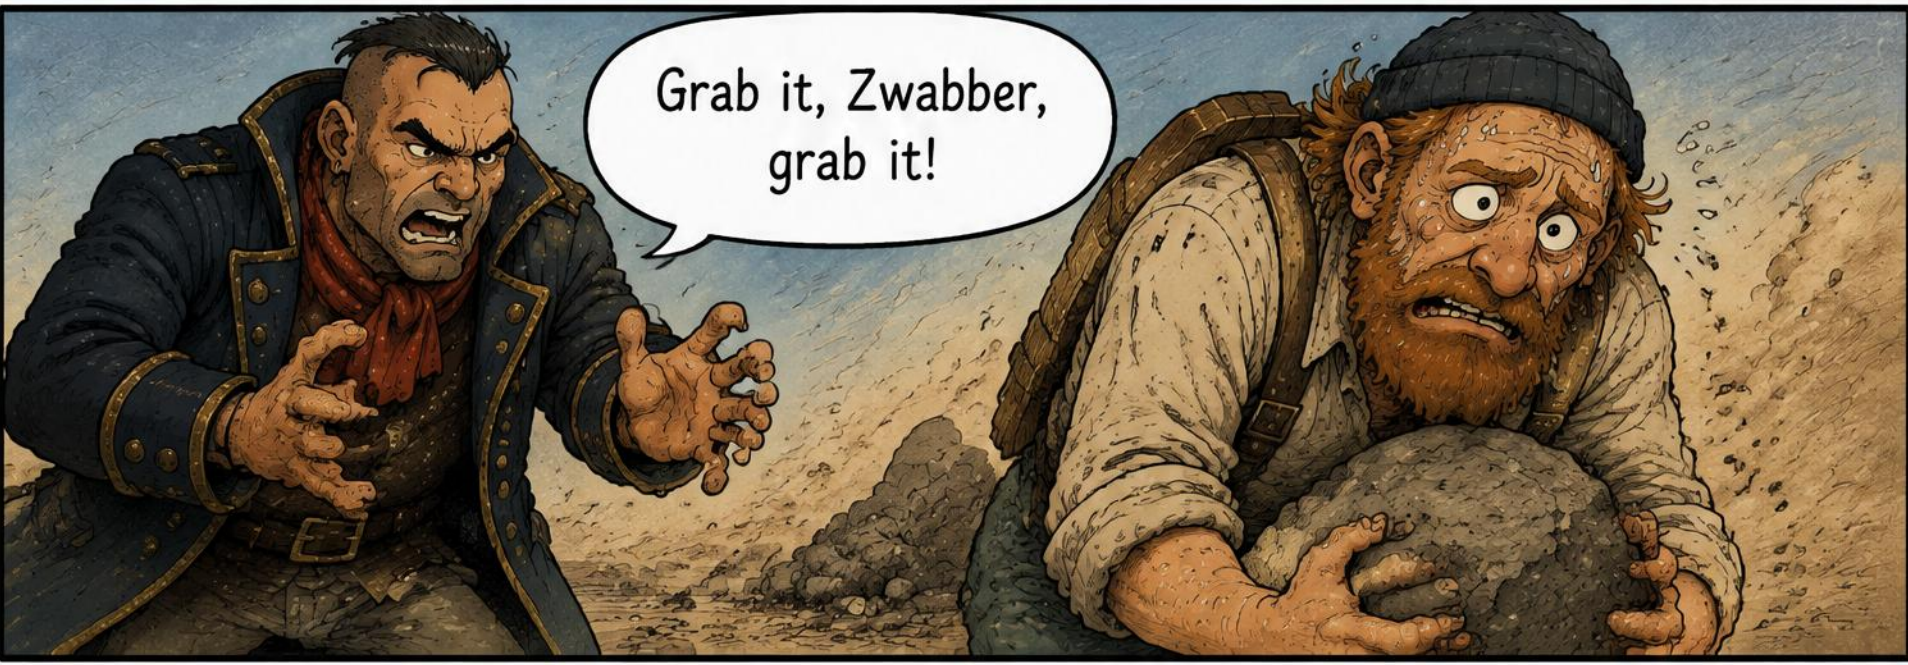

AND HIS DECK SWABBERS

Can't you go faster!?
Is that all you've got?

Grab it, Zwabber,
grab it!

I literally did
my very best!

Every deck swabber
has a breaking point...

How is this possible!?
This is impossible!

Faster, Zwabber!
Even faster!

Nobody could
keep up with him.

Not even the gods
of the seven sands!

With Dyson at the helm, the pirate bus travels everywhere.

Watch your posture, Zwabber!

I can only think about the meters!

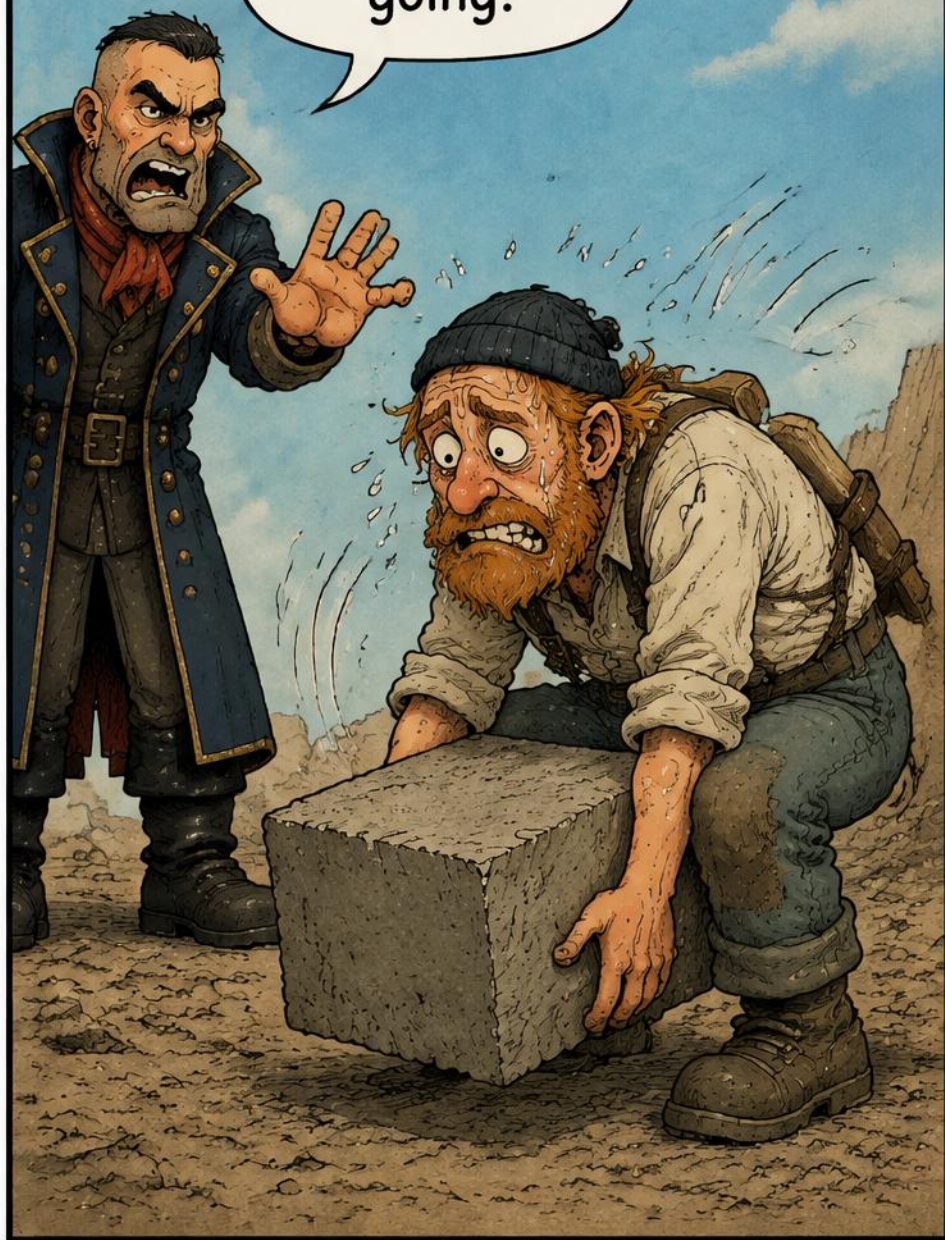

Keep going!

Watch your posture!

That block is going!

KWAAK!
What is in
my back?

I can't do
anything!

Keep working!

Those devilish stones are stuck!

I'll try...

My back is almost done for.

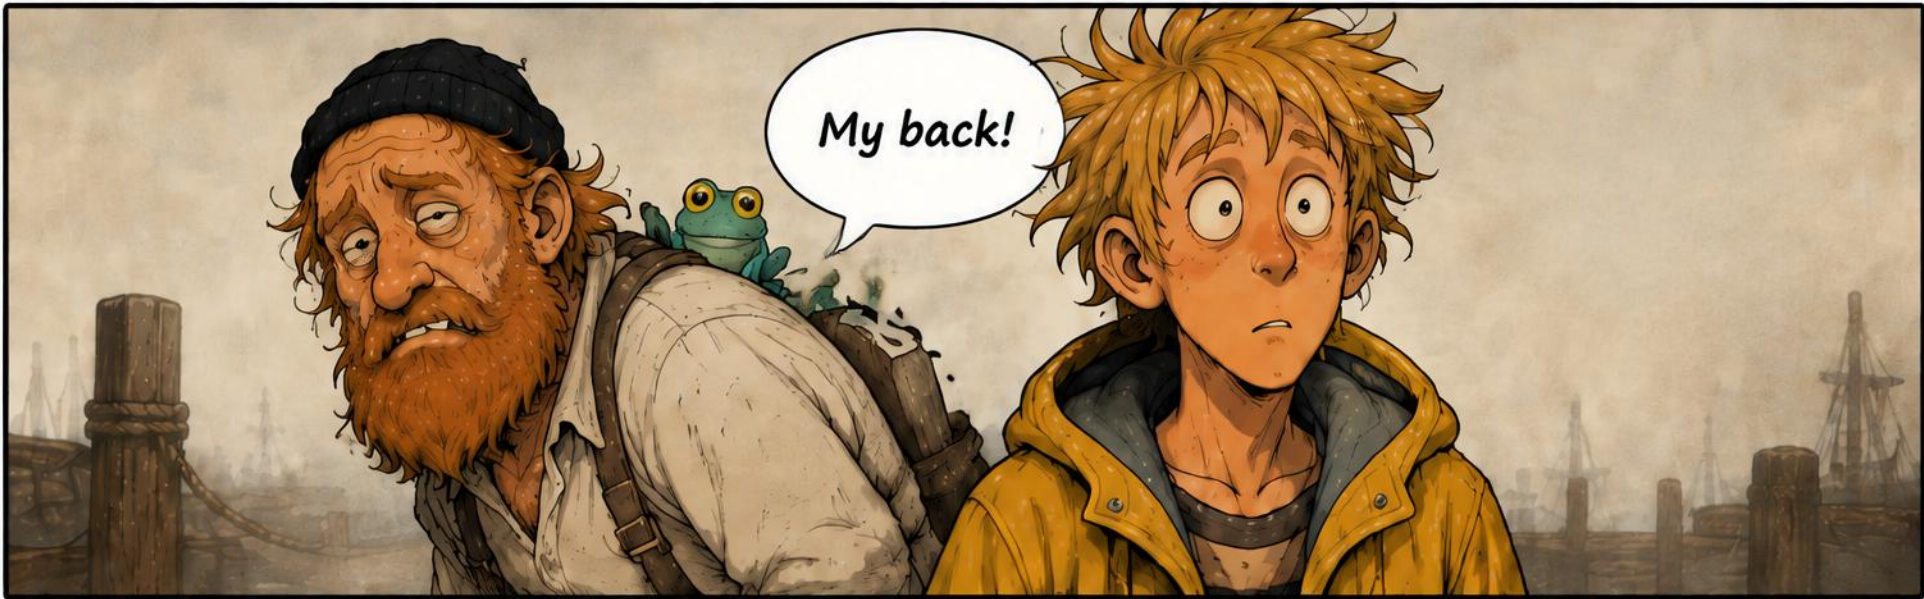

Everything
is going wrong!

KWAAK
KWAAK
KWAAK

The harder
I work, the louder
that frog croaks!

Stay
behind me!

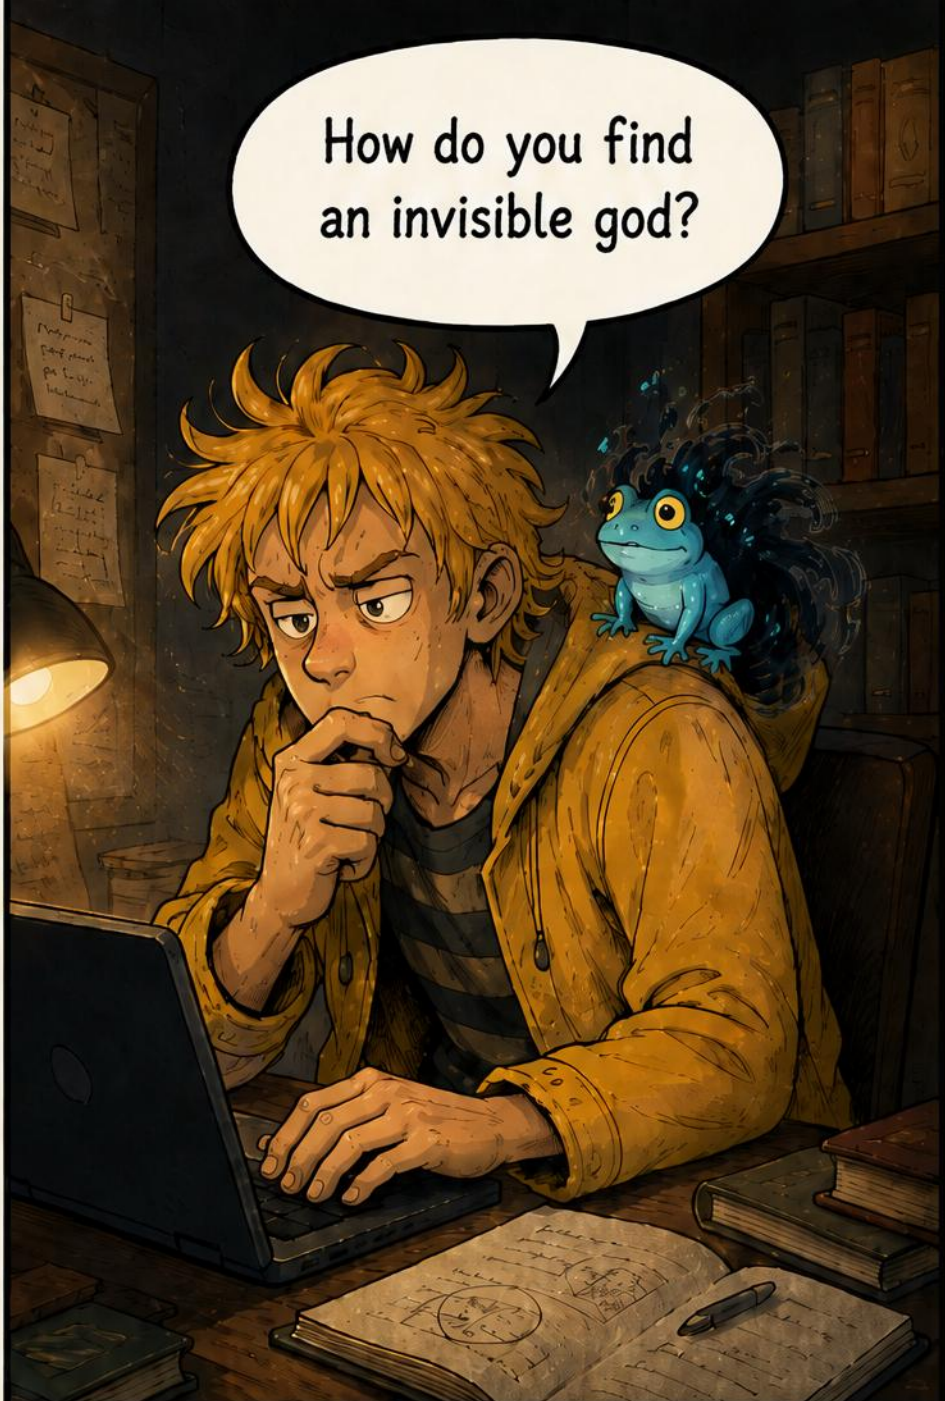

The sea devils
won't leave us
alone!

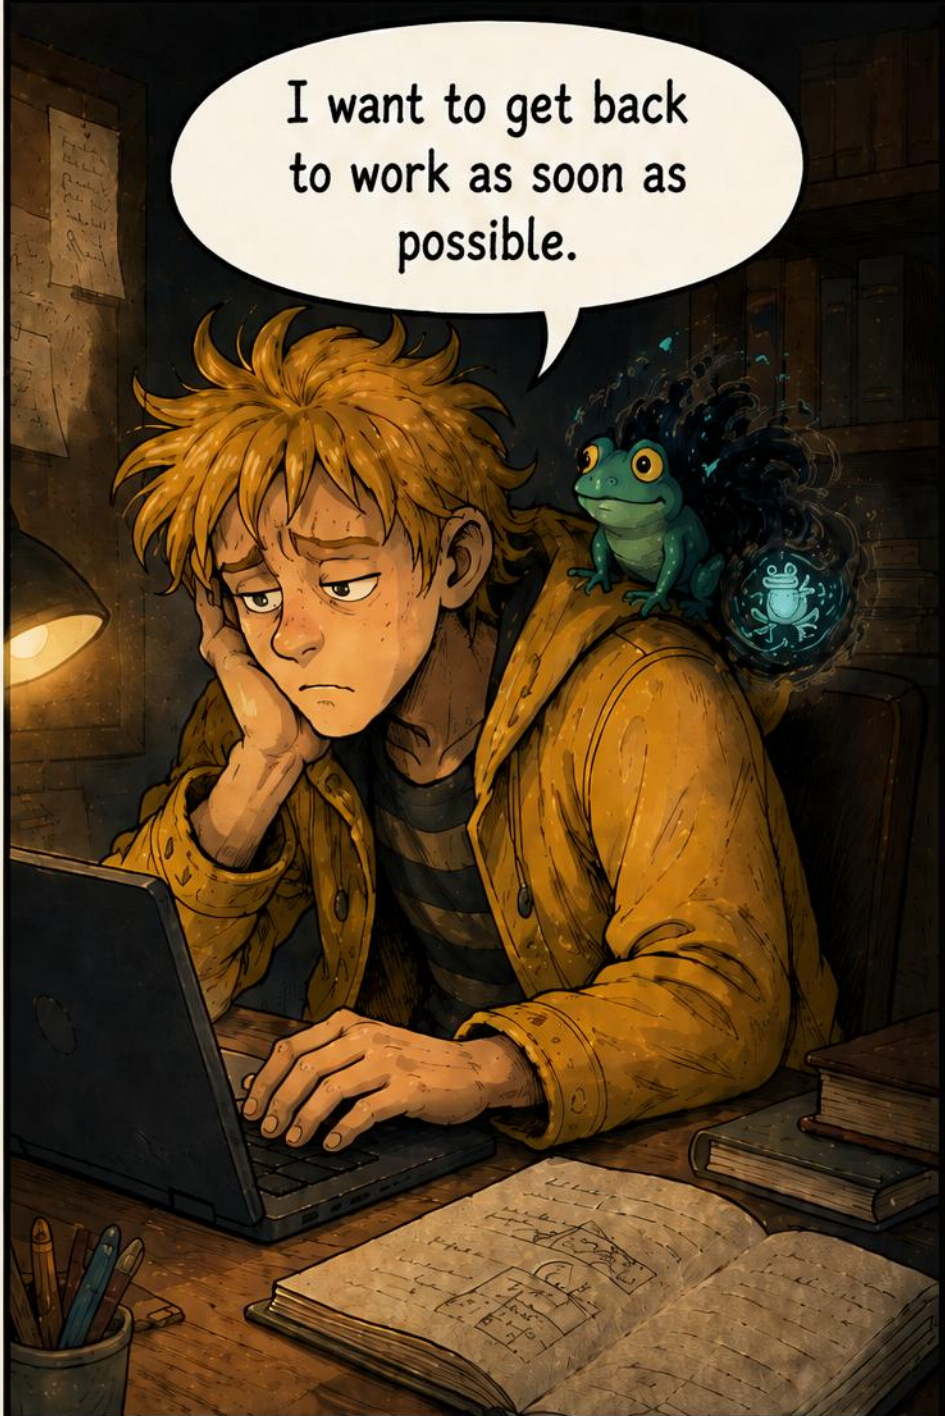

I won't stop
until Keisodon pays!

How do you find
an invisible god?

KWAAK!

I want to get back
to work as soon as
possible.

Tomorrow at half past six!

**You are and will remain
my deck swabbers.**

**From now on you are called
Can't Do Anything and
Won't Do Anything!**

≡ The end! ≡
