A large, green, cloud-like character with a sad expression, looking down at its hands which are clasped together. It is surrounded by smaller, similar cloud characters who are also looking down. The background is a dark purple sky with some musical notes floating around.

Stinkybinky: Het spijt me, iedereen!

AHEM!

BEEP!

ECHO!

FAINT!

The large green cloud character is now looking up with a determined expression, its mouth open as if shouting. The smaller cloud characters are also looking up. The background is a bright pink sky with musical notes.

Koor: De stankwolk is terug!
